A large collection of crafts from all over the country!  
Exhibition and sales, production demonstrations, production experience, etc.  
We will hold a variety of events in the city of Kanazawa!

For more  
information!

## Let's experience traditional crafts from all over Japan!

There are many events that can be enjoyed by both adults and children, such as the craft capsule toy "Dengacha", table coordination to enjoy traditional crafts in daily life, and quiz rallies!

It's fun to see what comes out!

### TEWAZA LIVE (Demonstration / Hands-on experience)

Workshops that can be enjoyed by both adults and children, production demonstrations, and other events introduce the charm of traditional crafts from all angles. Let's experience the thoughts of the creator and the splendor of handiwork!

### Stage events

Ai Tominaga

Stage events such as traditional performing arts performances and live performances by students will also be held! On Friday the 8th, model Ai Tominaga will come, and on Saturday the 9th and Sunday the 10th, Hyakumansan will also come!

Hyakumansan

### CRAFT MARKET (Exhibits and Sales)

A large collection of selected traditional crafts from all over the country. Find your favorite crafts!

### The 26th Japan Traditional Craftsmen's Association Exhibition

This is a competition exhibition where the skills of "Master of Traditional Crafts" who have been recognized for their excellent production skills shine through. Let's enjoy a number of works born from an outstanding technique and aesthetics!

## Ishikawa's traditional crafts are also gathered in the city!

In Ishikawa Prefecture, many traditional crafts were born and are still alive in our daily lives. Introducing the charm of all 36 types of traditional crafts that Ishikawa is proud of!
